

2018 donor roll

Community investment in Emerge ensures we can continue to expand our impact and meet the growing needs of families - not only for those in our care now, but also for the generations to come. The list below includes donors who have made gifts to The Emerge Center and/or The Emerge School for Autism.

We have made every effort to include all donors from January 1, 2018 through December 31, 2018. If you feel there is an error, please contact us at giving@emergela.org.
